Organized by

"BYTE CLUB & CSI BVM SB"

Computer Engineering Department

Summary of the Event:

Event Title	CodeZest'24
Date	14-09-2024(1st Round) 18-09-2024(2nd Round)
Duration	1.5 Hrs (1st Round)1.5 Hrs (2nd Round)
Venue	F-106
Resource Person	-
Event Coordinator:	Dr. Narendra Patel, Prof. Bhavesh Tanawala, Prof. Parimal Solanki, Prof. Divyang Chauhan
Number of Participants:	64 participants
Student chapter Association:	CSI BVM SB

Objectives of the Event:

The "CodeZest'24" coding event has a core mission of promoting and celebrating programming skills among students. It serves as a platform for participants to showcase their coding abilities and learn from one another. Encouraging collaboration and teamwork, the event aims to foster a strong sense of community and camaraderie among the participants.

In addition to promoting individual growth, the event aims to track and measure the progress and achievements of the competing students throughout the coding competition. One of the primary goals of the college coding event is to recognize and reward talented programmers for their exceptional performance. By doing so, it aims to inspire and motivate participants to continue honing their coding skills and achieving great heights in the field of programming.

About the Event:

BYTE Club, CSI BVM SB, in association with the Computer Engineering Department, organized a Coding Competition 'CodeZest'24', providing a platform for coding enthusiasts to showcase their problem-solving abilities.

In the competition, 64 enthusiastic participants competed from the different colleges like BVM, GCET, ADIT, CSPIT etc. The participants were given time frame to solve the given problems. The questions were designed to challenge the students and promote out problem solving skills, and analytical skills. The students enjoyed the event and said that it was a good opportunity for them to enhance their skills

The competition took place in two phases, both the rounds were offline and contest was held on HackerRank platform:

Round 1: 5 questionsRound 2: 5 questions

Results:

For second year:

Winner: Viral Bhoi

Runner-Up: Jeel Kalathiya

For third year:

Winner: Sathvara Neel

At the end of the competition, the principal of BVM Engineering College, Dr. Indrajit Patel sir, gave a speech to motivate the participant. The HOD of Computer Engineering Department, Dr. Darshak Thakore sir, motivated the participants and encouraged them to take part in such coding events organized in the college. Dr. Narendra Patel sir also gave a guiding speech in a technical

and academic way. After the gentlemen's wonderful speeches, the winners and runners-up were presented with certificates and certificates amidst thunderous applause.

Outcome of the event:

- The competition helped students familiarize themselves with the competitive programming environment, preparing them for future contests like Hackathons, LeetCode, and others.
- The event encouraged more students to engage in coding activities and develop an interest in advanced programming and technology fields.
- The competition led to the development of innovative solutions to complex problems, demonstrating the creativity and technical expertise of participants.
- The competition provided participants with an opportunity to apply theoretical knowledge in practical scenarios, enhancing their understanding of coding concepts.
- The event strengthened the coding community within BVM, BYTE Club, and CSI BVM SB, encouraging more student involvement in future tech events.
